ANNUAL REPORT 2025–26

"Education is the foundation of a progressive society and the guiding force that shapes responsible, confident, and capable individuals. Every classroom becomes a space where dreams are nurtured, values are strengthened, and futures are prepared."

The academic year **2025–26** at **Innovator's Public School** has been a remarkable journey of learning, achievement, discipline, and holistic growth. The school continued its mission of providing quality education while fostering creativity, leadership, moral values, and social responsibility among students.

This report highlights the significant activities, accomplishments, and initiatives undertaken during the academic year and reflects the collective efforts of our management, teachers, students, and parents.

With a vision to provide learner-centered and value-based education, Innovator's Public School has steadily progressed in academics, sports, co-curricular activities, and personality development.

The institution remains committed to creating an environment where children grow intellectually, emotionally, socially, and morally while preparing themselves for the opportunities and challenges of the future

❖ Message from the Chairman

"Education is not merely the accumulation of knowledge but the development of wisdom, character, and values that guide individuals throughout life."

At Innovator's Public School, we strongly believe that education must prepare students not only for examinations but also for life. The world is changing rapidly and demands individuals who are knowledgeable, skilled, ethical, and adaptable.

Our aim is to create an educational environment where students are encouraged to think independently, learn creatively, and grow confidently. Academic excellence, discipline, leadership, and compassion remain the pillars of our institution.

The school continuously strives to provide quality education supported by modern learning methods, dedicated teachers, and a safe learning environment. We believe that strong collaboration among school, parents, and community plays a crucial role in nurturing responsible citizens. Appreciate the sincere efforts of our Principal, staff members, parents, and students whose dedication continues to strengthen the institution.

May our students continue to achieve excellence and contribute meaningfully to society and the nation.

G. P. Rahane
Chairman

❖ **Message from the Secretary**

Education is the most powerful instrument for social transformation and personal growth. At Innovator's Public School, we believe that every child possesses unique talents and abilities which must be nurtured through care, encouragement, and meaningful opportunities.

Our efforts are directed toward providing an environment where learning becomes enjoyable and students develop confidence, discipline, and strong moral values. Along with academic achievement, equal emphasis is placed on cultural, physical, emotional, and social development.

The support of parents, management, and teachers has been instrumental in the growth and success of the institution. Together, we continue to work toward building a progressive educational environment that inspires students to dream, learn, and succeed.

I extend my best wishes to all students and congratulate the school community for its dedication and achievements.

Mrs. S. B. Phatangare
Secretary

❖ **Message from the Principal**

"A school is a place where knowledge is nurtured, values are strengthened, and futures are shaped."

It gives me immense pleasure to present the **Annual Report 2025–26** of Innovator's Public School.

Education today goes beyond textbooks and examinations. It is about empowering students with confidence, creativity, compassion, and critical thinking. At Innovator's Public School, we believe that every child has immense potential and deserves opportunities to learn, grow, and excel.

Throughout the academic year, the school conducted numerous academic, cultural, literary, and sports activities designed to encourage holistic development. Students enthusiastically participated and demonstrated remarkable achievements and personal growth.

Our dedicated teachers continuously strive to create engaging learning experiences and maintain a nurturing environment where students feel encouraged and supported.

I sincerely thank the Chairman, Secretary, management, parents, teachers, and students for their trust, cooperation, and commitment. Together, we shall continue to work toward educational excellence and nation-building.

Mrs. Manisha G. Rahane
Principal

❖ **About the School**

Innovator's Public School, Chandanapuri is a progressive educational institution committed to providing quality education and holistic development through the CBSE curriculum.

Established with the vision of nurturing young minds through innovation, discipline, and value-based education, the school aims to create responsible citizens equipped with knowledge, life skills, and moral values.

The institution believes that education should empower students to become independent thinkers, confident communicators, and compassionate individuals.

With dedicated faculty, supportive infrastructure, and learner-centered practices, the school provides opportunities that encourage academic excellence, creativity, leadership, and social responsibility.

The school continuously works toward creating a positive and safe learning environment where every learner is encouraged to explore, discover, and realize his or her full potential.

❖ **Governance & Committees**

To ensure effective administration, academic planning, student welfare, and institutional growth, Innovator's Public School operates through various committees that actively contribute toward smooth functioning and development of the school.

The school believes in participative governance, transparency, and systematic planning to maintain high academic standards and a secure learning environment.

➤ **The following committees function throughout the academic year:**

- School Management Committee (SMC)
- Academic & Examination Committee
- Parent–Teacher Association (PTA)
- POCSO & Child Protection Committee
- Sexual Harassment Prevention Committee
- Transport & Safety Committee
- Cultural and Sports Committee
- Health and Wellness Committee

These committees regularly monitor and review activities relating to academics, discipline, infrastructure, safety, and student welfare.

❖ **Vision**

Innovator's Public School envisions nurturing students into confident, knowledgeable, responsible, and compassionate individuals who are capable of contributing positively to society and the nation.

➤ **The school strives to provide:**

- Strong academic foundations
- Scientific and analytical thinking
- Creativity and innovation
- Emotional and social development
- Leadership and communication skills
- Respect for diversity and national values

The institution believes that education must prepare students not only for careers but also for responsible and meaningful lives.

❖ **Mission**

Innovator's Public School recognizes that every child is unique and possesses individual strengths and talents.

Therefore, the school:

- Respects individual learning needs
- Encourages creativity and curiosity
- Promotes value-based education
- Emphasizes emotional, social, and cognitive development
- Provides a caring and learner-friendly environment
- Encourages lifelong learning and responsible citizenship

The mission of the institution is to create confident learners and ethical citizens capable of facing future challenges successfully.

❖ **Core Values**

The philosophy of Innovator's Public School is deeply rooted in values that guide students toward personal excellence and responsible citizenship.

The school promotes the following core values:

- **Attitude** :Developing positive thinking and constructive learning habits. Self-Discipline, Encouraging punctuality, responsibility, and ethical conduct.
- **Perseverance**: Teaching students to work patiently and overcome challenges with determination.
- **Intelligence** : Promoting curiosity, critical thinking, and conceptual understanding.
- **Resourcefulness & Reliability** : Developing innovative, dependable, and solution-oriented individuals.
- **Ethics** : Instilling honesty, integrity, truthfulness, and respect toward society and nation.

These values form the foundation of student development and school culture.

❖ **CBSE Affiliation Details**

Innovator's Public School is affiliated to the **Central Board of Secondary Education (CBSE)** and follows the CBSE curriculum and guidelines.

➤ **CBSE Affiliation Details**

School Name: Innovator's Public School

Affiliation Board: CBSE

Affiliation No.: 1130923

School Code: 30916

Address: Chandanapuri, Tal. Sangamner, Dist. Ahmednagar

Website: www.innovatorsps.in

The school continuously complies with CBSE norms and works toward providing quality education aligned with national educational standards.

❖ **Infrastructure Overview**

Innovator's Public School provides infrastructure and facilities designed to create a safe, stimulating, and learner-friendly educational environment.

The school infrastructure supports academic learning, physical development, and co-curricular participation.

➤ **Major infrastructure facilities include:**

- Spacious and ventilated classrooms
- Library and reading resources
- Science learning facilities and practical learning support
- Computer education facilities
- Playground and sports area
- Activity and assembly spaces

- Transportation facilities
- Safe and hygienic campus

The school continuously upgrades facilities to provide better learning experiences and ensure student comfort and safety.

❖ **Facilities**

Innovator's Public School provides facilities that support academic excellence and holistic development.

➤ **The school offers:**

- CCTV Surveillance for safety
- Transport Facility
- Digital Learning Support
- Health and Hygiene Awareness
- Spacious Campus Environment
- Sports and Physical Activity Facilities
- Activity-Based Learning Opportunities
- Educational Visits and Field Learning
- Parent Communication and Interaction
- Safe and Student-Friendly Environment
- Learning with Nature
- Co-curricular and Cultural Opportunities

These facilities contribute significantly toward creating a positive educational environment.

❖ **12. Overview of Academic Year**

The academic session **2025–26** commenced with renewed enthusiasm and commitment toward academic excellence and holistic growth.

The school warmly welcomed students and parents and conducted orientation and introductory sessions to familiarize them with school policies, academic expectations, and learning culture.

The year witnessed active participation in academics, sports, cultural celebrations, social awareness activities, and various student-development initiatives.

With the implementation of learner-centered and experiential approaches aligned with educational reforms and CBSE guidelines, classroom practices continued to evolve toward meaningful and engaging learning.

The year **2025–26** has been a year of learning, growth, discipline, and achievement. With the combined efforts of management, teachers, parents, and students, Innovator's Public School continued progressing steadily toward excellence.

The school remains committed to nurturing confident, compassionate, and responsible citizens prepared for future opportunities and challenges.

❖ Academic Achievements

Academic excellence continues to remain the primary focus of Innovator's Public School. The institution strives to create a learning environment where students are encouraged to develop conceptual understanding, analytical thinking, communication skills, and confidence.

The school follows the CBSE curriculum and continuously adopts learner-centered, activity-based, and experiential learning practices aligned with modern educational requirements.

Academic achievements reflect the dedication and sincere efforts of students, teachers, and parents working together toward common educational goals.

During the academic year 2025–26, students actively participated in classroom learning, subject enrichment activities, projects, assessments, and various academic competitions.

➤ The school remained committed to:

- Concept-based learning
- Skill development
- Experiential and practical learning
- Individual mentoring and academic support
- Continuous assessment and feedback
- Strengthening communication and analytical skills

The management and teachers continuously encouraged students to pursue academic excellence while maintaining balanced personality development.

❖ Class Wise Annual Performance

The school recorded commendable academic progress during the session 2025–26. Students demonstrated discipline, sincerity, and consistent academic performance.

The overall performance of students from Classes I to IX remained highly satisfactory with **100% result**.

➤ Class Wise Annual Performance – 2025–26

Sr. No.	Class	Student Strength	Pass Percentage
---------	-------	------------------	-----------------

Sr. No.	Class	Student Strength	Pass Percentage
1	I	35	100%
2	II	43	100%
3	III	36	100%
4	IV	34	100%
5	V	30	100%
6	VI	24	100%
7	VII	27	100%
8	VIII	26	100%
9	IX	20	100%

➤ **Board Examination Performance**

The school takes pride in the performance of students appearing for CBSE Board Examinations. The results reflect sincere preparation, dedicated guidance, and consistent support provided by teachers and parents.

➤ **Class X Board Result**

Sr. No.	Academic Year	Total No. of Student (Class 10)	No. of Passed Students (Class 10)	Result (%)
1	2026	31	29	93.54%

➤ **Class XII Board Result**

Sr. No.	Academic Year	Total No. of Student (Class 10)	No. of Passed Students (Class 10)	Result (%)
1	2026	04	04	100%

The school remains committed to maintaining high academic standards and supporting students toward continued success.

❖ **CBSE Assessment Guidelines**

Innovator's Public School follows the assessment and evaluation guidelines prescribed by CBSE.

The objective of assessment is not merely to measure academic achievement but to support learning, identify strengths, and guide improvement.

➤ **As per CBSE Guidelines:**

For higher classes, assessment includes:

- Periodic Tests (PA 1, PA 2, PA 3, PA 4)
- Subject Enrichment Activities
- Notebook Submission
- Portfolio Assessment
- Practical / Lab Work (for relevant classes)

The school adopts continuous and comprehensive evaluation practices to encourage learning through participation, reflection, and improvement.

The assessment structure is designed to evaluate academic performance while promoting conceptual understanding and skill development.

➤ **State Scholarship Examination Achievement**

Innovator's Public School actively encourages students to participate in competitive examinations and scholarship programmes that enhance academic excellence and intellectual development.

Students of the school appeared for the **Maharashtra State Scholarship Examination** conducted by **Maharashtra State Council of Examination (MSCE), Pune** and participated enthusiastically with dedicated preparation and guidance.

➤ **The scholarship programme develops:**

- Logical reasoning
- Problem-solving skills
- Analytical thinking
- Language proficiency
- Competitive confidence

The school provides academic guidance and structured preparation for scholarship examinations and encourages meritorious students to participate and perform at higher levels.

The institution remains committed to nurturing scholarship achievers and promoting a culture of academic excellence and healthy competition among students.

❖ **SOF Olympiad Participation**

Innovator's Public School actively encourages students to participate in competitive and skill-based examinations that strengthen analytical thinking, problem-solving ability, and academic confidence.

During the academic year, students participated enthusiastically in Olympiad examinations conducted by the **Science Olympiad Foundation (SOF)** and other academic competitions.

➤ **Students appeared for:**

- National Science Olympiad (NSO)
- International Mathematics Olympiad (IMO)
- International English Olympiad (IEO)
- International General Knowledge Olympiad (IGKO)
- International Computer Science Olympiad (ICSO)
- International Hindi Olympiad (IHO)
- Spelling Bee and related language competitions

Participation in such examinations provides valuable exposure and motivates students toward higher academic achievement and competitive readiness.

The school appreciates the enthusiasm and efforts shown by participating students and teachers.

❖ **Parents Orientation Programme**

At Innovator's Public School, we believe that effective education is strengthened through a strong partnership between school and parents.

To promote meaningful collaboration and understanding, the school conducts **Parent Orientation Programmes** at the beginning of every academic session.

➤ **These programmes aim to:**

- Familiarize parents with school policies and culture
- Explain academic structure and CBSE assessment practices
- Discuss teaching methodologies and expectations
- Encourage positive parenting and communication
- Strengthen school–parent partnership

Parents were informed about academic planning, discipline, co-curricular activities, examination systems, and student support services.

The interactive sessions helped resolve queries and created a positive and cooperative environment that supports the holistic development of children.

The school highly values parental participation and considers parents equal partners in the educational journey of students.

❖ **Career Counselling**

Education is not only about academic success but also about preparing students for future opportunities and life choices.

Innovator's Public School recognizes the importance of career awareness and guidance during the formative years of student development.

➤ **Career guidance and counselling initiatives were conducted to:**

- Create awareness about educational pathways
- Help students understand their interests and abilities
- Introduce career opportunities and emerging fields
- Encourage informed decision-making
- Build confidence and goal-setting skills

Students received guidance and motivation to explore their aspirations and prepare themselves for future academic and professional challenges.

The school remains committed to supporting students in identifying and pursuing meaningful career paths.

❖ **19. Physical Education & Sports**

Physical fitness and sports play an essential role in the holistic development of students. Innovator's Public School strongly believes that sports nurture discipline, teamwork, leadership, perseverance, and self-confidence.

The school organized **Annual Sports Activities** and encouraged active participation across various age groups.

➤ **Students participated enthusiastically in:**

- Athletics
- Kho-Kho
- Kabaddi
- Volleyball
- Cricket
- Chess
- Indoor Games
- Yoga and Fitness Activities
- Recreational and Team Sports

The Annual Sports Meet was conducted with great enthusiasm and sportsmanship. Students displayed remarkable discipline, energy, and team spirit throughout the events.

➤ **Participation in sports and physical education helped students develop:**

- Physical fitness
- Teamwork
- Leadership
- Resilience
- Healthy competitive spirit
- Confidence and discipline

The school continues to encourage participation in inter-school, district-level, and various sports competitions.

❖ **Other Initiatives**

Innovator's Public School undertook several educational and enrichment initiatives during the academic year to broaden learning experiences and encourage student participation.

Important initiatives included:

- Participation in academic competitions and challenges
- Reading and literacy-based activities
- Skill development programmes
- Awareness programmes and motivational sessions
- Yoga and wellness activities
- Creative and artistic activities

Students and teachers actively participated in these programmes, enhancing knowledge, confidence, and overall development.

Such initiatives reflect the school's commitment toward experiential and value-based learning.

❖ **Clean Classroom Initiative**

The **Clean Classroom Initiative** was implemented to encourage students to maintain cleanliness and develop responsibility toward their surroundings.

➤ **The initiative aimed to:**

- Promote hygiene and cleanliness
- Develop civic sense and responsibility
- Encourage teamwork and discipline
- Create healthy learning environments

Students actively participated in maintaining classroom cleanliness and understanding the importance of a neat and organized environment.

This initiative helped cultivate positive habits and strengthened environmental awareness among students.

The school believes that clean surroundings contribute significantly to healthy learning and responsible citizenship.

❖ **Co-Curricular Activities**

The academic year **2025–26** witnessed vibrant participation in various co-curricular and extracurricular activities designed to promote holistic development and experiential learning.

Innovator's Public School firmly believes that education extends beyond classrooms and textbooks. Therefore, equal emphasis is placed on developing creativity, leadership, communication, teamwork, and confidence.

Various activities and competitions were organized throughout the year to provide students with opportunities to explore and showcase their talents.

➤ **Students enthusiastically participated in:**

- Essay Writing
- Poster Making
- Drawing and Painting
- Quiz Competitions
- Creative Writing
- Speech and Elocution
- Awareness Campaigns
- Skill-Based Activities
- Group Presentations
- Talent Development Activities

These activities encouraged students to think creatively, communicate effectively, and develop confidence while learning important life skills.

Inter-class and school-level competitions created healthy competition and promoted team spirit, leadership, and self-expression.

The school remains committed to providing a balanced educational experience where students grow intellectually, emotionally, socially, and culturally.

❖ **Cultural & Performing Arts**

➤ **Annual Day, Music, Dance and Drama**

Cultural activities form an integral part of education and provide students with opportunities to express themselves creatively while preserving cultural heritage and traditions.

During the academic year, Innovator's Public School organized and celebrated several cultural and performing arts events with enthusiasm and active participation.

➤ **The highlight of the year included:**

- Annual Gathering / Annual Day
- Music Performances
- Dance Presentations
- Drama and Role Play
- Patriotic and Folk Performances
- Special Assemblies
- Traditional and Cultural Programmes

Students displayed exceptional talent and confidence through various performances that reflected creativity, discipline, teamwork, and artistic excellence.

➤ **National festivals and important occasions such as:**

- Republic Day
- Independence Day
- Traditional Celebrations
- Foundation Day
- Special School Events

were celebrated with patriotic spirit and cultural pride.

➤ **These events provided students opportunities to:**

- Build stage confidence
- Develop public speaking skills
- Enhance teamwork and leadership
- Appreciate culture and heritage
- Strengthen creativity and artistic expression

The school appreciates the sincere efforts of students, teachers, and parents in making these celebrations successful and memorable.

❖ **Art & Literary Activities**

Innovator's Public School actively promotes literary and artistic development through activities that encourage communication, imagination, and critical thinking.

Various literary and creative programmes were organized during the academic year, including:

- Debate Competitions
- Essay Writing
- Poetry Recitation
- Storytelling
- Handwriting Activities
- Drawing and Painting
- Creative Writing
- Reading Activities
- Language Development Programmes

Students displayed remarkable originality, confidence, and communication skills while participating in these activities.

➤ **Participation in literary programmes helped students:**

- Improve language proficiency
- Strengthen communication skills
- Develop analytical thinking
- Build confidence and creativity
- Encourage self-expression

Such activities continue to play an important role in personality development and academic enrichment.

❖ **Pre-Primary Events**

The Pre-Primary section experienced a joyful and activity-based academic year filled with learning, celebration, and creativity.

The school believes that early childhood education must be nurturing, engaging, and developmentally appropriate.

Pre-primary students actively participated in:

- **Cultural Celebrations** : Festival celebrations and special days helped children understand traditions, values, and social bonding.
- **Colour and Theme Days** : Different colour and theme-based activities promoted observation, creativity, and interactive learning.
- **Literacy and Language Activities** : Recitation, storytelling, phonics, and language activities strengthened communication and listening skills.
- **Fitness and Wellness Activities** : Sports and movement-based activities encouraged physical development, coordination, and teamwork.
- **Creative Learning Activities**: Art, craft, music, and hands-on experiences made learning enjoyable and meaningful.

The year proved to be enriching and memorable for our little learners as they developed confidence, curiosity, communication skills, and social interaction through joyful learning experiences.

- **Reading and Language Activities** : Reading and language-based programmes promoted communication skills, vocabulary development, and love for reading.
- **Mathematics and Skill Development Activities** : Students participated in logical thinking exercises, mathematical activities, quizzes, and problem-solving tasks.

➤ **Activities significantly contributed toward:**

- Leadership development
- Creativity and innovation
- Teamwork and responsibility
- Environmental awareness
- Social sensitivity
- Communication and confidence

The school remains committed to providing students with opportunities for meaningful and enjoyable learning experiences.

❖ **Capacity Building Programme**

Continuous professional development is essential for ensuring quality education and effective classroom practices. Innovator's Public School strongly believes that teachers are lifelong learners and regularly encourages them to upgrade their knowledge and skills.

In accordance with **CBSE guidelines and National Education Policy (NEP) 2020**, teachers participated in various professional development programmes and training sessions during the academic year.

➤ **The major objectives of teacher training were:**

- Updating teaching methodologies
- Integrating technology into teaching-learning
- Strengthening classroom management
- Understanding child psychology and inclusive education
- Enhancing communication and assessment practices
- Promoting competency-based learning

➤ **Teachers participated in:**

- CBSE Training Programmes
- Subject Enrichment Workshops
- Classroom Innovation Sessions
- Digital and ICT Training
- Inclusive Education Programmes
- Life Skills and Value Education Workshops
- Stress Management and Wellness Sessions

These programmes helped teachers improve professional competence and enrich classroom learning experiences.

The school appreciates the dedication and continuous learning spirit displayed by its faculty members.

❖ **Educational Trips**

Innovator's Public School believes that learning becomes more meaningful when students experience and observe concepts in real-life situations.

Educational visits and field trips were organized during the academic year to provide experiential learning opportunities and broaden students' horizons.

The objectives of educational trips included:

- Practical learning
- Environmental awareness
- Social interaction
- Observation and exploration
- Learning beyond classrooms

Students visited educational and activity-based locations suitable to their age and curriculum requirements.

➤ **These visits helped students:**

- Connect theory with practice
- Improve observation skills
- Develop curiosity and confidence
- Encourage teamwork and responsibility

Educational trips proved to be enjoyable and highly informative experiences for students.

❖ **Mental Health & Academic Welfare**

Innovator's Public School recognizes that emotional well-being and mental health are essential for academic success and holistic development.

The school provides guidance and support systems that help students manage academic, emotional, behavioural, and social challenges.

➤ **Student welfare initiatives focused on:**

- Emotional well-being
- Academic support
- Counselling and mentoring
- Positive classroom environment
- Inclusive learning practices
- Confidence and self-esteem building

➤ **The school adopted a caring and supportive approach by:**

- Identifying students requiring academic support
- Providing remedial assistance
- Encouraging open communication
- Offering individual guidance
- Supporting social and emotional development

The institution firmly believes that every learner deserves understanding, encouragement, and opportunities for growth.

These efforts contributed significantly toward creating a safe and nurturing learning environment.

❖ **Parental Involvement**

Innovator's Public School strongly believes that education becomes more meaningful and effective when parents and school work together.

Parents play a vital role in the growth and success of children.

➤ **The school encouraged parental participation through:**

- Parent–Teacher Meetings (PTMs)
- Orientation Sessions
- Academic Progress Discussions
- Communication and Feedback Systems
- School Programmes and Events

Regular interaction between parents and teachers helped identify student needs and strengthen academic and emotional support.

The school appreciates the trust and cooperation extended by parents throughout the academic year.

Together, school and family continue to work toward nurturing responsible and successful learners.

❖ **Conclusion**

The academic year **2025–26** has been a journey of learning, achievement, creativity, and growth for Innovator's Public School.

The accomplishments and experiences of this year reflect the dedication and teamwork of our management, Principal, teachers, students, and parents.

The school has continued to strive toward academic excellence while simultaneously nurturing values, creativity, discipline, and social responsibility.

Each activity, achievement, and initiative undertaken during the year contributed toward shaping confident, compassionate, and responsible young individuals prepared to face future opportunities and challenges.

As we move forward, Innovator's Public School remains committed to providing quality education, holistic development, and meaningful learning experiences that inspire students to dream, achieve, and serve society with integrity and confidence.

We express our sincere gratitude to everyone associated with the institution for their continued support and trust.
